Professional cleaning of interior of home

Your new home is customizable! We offer semi-custom to full custom building!

Our specification sheets are simply a starting point.

If you would like to change, delete or add to the included selections, we will provide you a new home price and a new detailed specification sheet!

No credit will be issued for any unused allowances. No credit issued if customer purchases selections from outside of Carney suppliers.

Cost may vary on these items based on the lot you have chosen, therefore we provide allowances based on a standard city water and sewer 80' x 125' lot.

Allowance overages will be the responsibility of Buyer. All allowances include taxes, delivery and installation when applicable.

Appliances and materials to be selected by owner, purchased by Builder.

Carney Quality Construction reserves the right of price, plan, or specification change without prior notice or prior obligation.

All renderings are for flyer purposes ONLY. Pool Package is an option.
